WPSS No.1120 of 2003

Hon'ble P.C.Verma, J.

Heard learned counsel for the parties.

By means of this writ petition, the petitioner has sought a writ of mandamus commending the respondents to consider the candidature of the petitioner for special B.T.C. course. The age between 18-40 was prescribed, the petitioner has crossed the upper-age-limit – ultimately the petitioner had completed 40 years before 01.07.2001, when the advertisement was initially made.

Admitedly, the petitioner has crossed the upper-age limit. The advertisement-impugned does not suffer from any infirmity. There is no merit in the writ petition & is accordingly dismissed.
